Are you inspired by the opportunity to be part of a movement to create a new kind of health care in Mississauga, Peel Region and West Toronto? Are you a digital fundraiser who's willing to join a growing team and help to inspire and build our community of donors? Keep reading to learn more about this exciting opportunity at **Trillium Health Partners Foundation**.

Trillium Health Partners is the largest community-based academic health network in Ontario serving over 2.4 million people in its catchment area. The hospital encompasses three main sites – the Credit Valley Hospital, Mississauga Hospital, and Queensway Health Centre – offering a full range of acute care hospital services, as well as being the designated regional care centre for several programs including paediatrics, cardiac, renal, and cancer care.

Working with donors, **Trillium Health Partners Foundation (THPF)** raises the critical funds needed to address the highest priority needs of Trillium Health Partners. THPF is a team of 35 professionals that strategically drives success as one of the highest performing hospital foundations in the country. Having raised more than \$32 million last year, our organization is positioned for growth, and is in the planning stages of a large-scale comprehensive campaign.

Join our team and help us inspire investment in a new kind of health care for a healthier community!

THE POSITION – OVERVIEW:

The **Senior Associate, Digital Fundraising** is a full-time position, within the Marketing & Communications business unit of the organization. Reporting to the Associate Director, Marketing & Communications, this is a brand new role focused on the enabling and execution of digital fundraising programs that acquire, steward and retain donors contributing to departmental goals.

With a high level of enthusiasm, you are eager to participate in an inspiring organization that makes a significant impact within our community. Ready to work hard, contribute, and learn quickly in a fast-paced environment, you must be passionately inspired by our mission **to inspire investment in a new kind of health care**. You also possess a strong service orientation, and are equipped to deliver an unparalleled team experience within our Foundation and to our partners within the hospital.

SPECIFIC RESPONSIBILITIES:

Digital Fundraising:

- Uses digital platforms to acquire, steward and retain donors and ensures digital strategies support and enable other program areas (Events, Direct Mail, Annual Giving, Mass Marketing) to identify integration opportunities where available.
- Considers the full digital donor experience including onboarding strategies and identifies new and/or improved opportunities for online donor acquisition.
- Leverages a suite of online channels (search, display, email, web, lead generation and social media, etc.) to meet campaign targets.
- Works with external vendors to lead, execute and deliver on digital fundraising campaigns – including the development of digital creative (design + copy) that is compelling and meets brand standards. Ensures campaigns are delivered on budget.
- Analyzes digital performance against KPIs, with a focus on online revenue performance, number of active donors, and online donor retention.
- Implements updates to the Foundation website via WordPress, and oversees content and creative changes to ensure alignment with editorial calendar and fundraising program goals.
- Works alongside the Manager, Analytics to leverage organizational trends, resources and tools to influence digital program management.

Social Media Management:

- Shares the management of social media accounts with the hospital - including campaign planning, execution of social calendar, and reporting.
- Develops all published content related to Foundation activities.
- Engages with followers to moderate conversations, maintain engagement with the Foundation and escalate issues if necessary.
- Ensures other fundraising teams have appropriate representation on social channels.
- Monitors trends in social media marketing, tools, and applications.

At Trillium Health Partners Foundation, we care passionately about fulfilling the needs of our hospital and our community. To achieve this objective, our team is committed to embodying the values of our team-created “ICARE” philosophy: inspiration, courage, accountability, respect, and excellence. The selected candidate must be eager and able to contribute to advancing this organizational culture.

KEY CRITERIA:

The ideal candidate for this role will display the following qualifications and skills:

- Eager to take on challenges, and problem solve to resolution (get it done mentality).
- Flexible and adaptable team player with strong interpersonal skills.
- Demonstrated ability to multi task and meet deadlines in a fast paced environment.
- Experience working collaboratively with internal and external stakeholders.
- A great sense of ownership, accountability, and desire to learn and grow.

Experience and Education:

- University degree with a minimum of 3 years fundraising experience.
- Demonstrated experience in managing digital fundraising or digital marketing campaigns, and strong knowledge of best practices.

Technical Skills:

- Strong proficiency in Microsoft Office – PowerPoint, Excel, and Word.
- Understanding of SEM, Google Analytics, Google Display Network.
- Experience in working with online fundraising platforms: Raiser’s Edge, Luminate Online.
- Experience working with Hootsuite and WordPress an asset.
- Demonstrated ability to achieve fundraising/revenue targets.
- Ability to work with data analytics to analyze online trends.
- Excellent written and oral communication skills; a background in communications is an asset.

Work Environment:

- Willingness to work flexible hours. Some after-hours work will be required.
- Work may take place across the multiple sites of Trillium Health Partners and Trillium Health Partners Foundation.
- Valid driver’s license and access to a reliable vehicle is an asset.
