ABOUT REDTAIL GOLF COURSE

Redtail holds approximately 3,000 rounds played by its 80 members and their guests each year, compared to the typical golf course which can hold up to 25,000 rounds. This course is so exclusive that only clients and friends of the owners are able to golf there!

It is a popular golf destination for celebrities, including:

- Michael Douglas and wife, Catherine Zeta Jones;
- Bill Murray;
- Sean Connery;
- Sports stars like Wayne Gretzky, Mike Weir and Nick Price; and
- Several well-respected business leaders and politicians.

ABOUT THE CAUSE

Your participation supports the urgent needs of Trillium Health Partners

Unrestricted giving enables Trillium Health Partners (THP) to direct your support to the highest priority needs at our hospital.

THP is the largest community academic hospital in Canada, looking after a rapidly growing population of 2.2 million people in Mississauga, Peel Region, west Toronto and surrounding areas. Already routinely at capacity, no other hospital will face more demand in the next 20 years than THP. Further stretching our limits has been the COVID-19 pandemic, which has hit our region particularly hard, highlighting the challenges of its older buildings and our need for continued support from partners and friends like you.

Last year, unrestricted giving helped our COVID-19 pandemic response, so we could rapidly adapt how we delivered care. These funds allowed us to invest in critical equipment, PPE for our staff and expand our spaces to accommodate an increase in critically ill patients.

By participating in this year's Golf Classic, you are playing a crucial role in the success of our existing programs including stroke and cancer care, mental health, and women's and children's services, while also helping to build a new kind of health care to safeguard our community's future.

Your partnership means we can continue providing our patients access to the most innovative, cutting-edge care and equipment – today and for generations to come.
